Dear Aunt Darlene,

Remember the haire I wrote about last time? I saw it again yesterday! It sat very still near its lare. Rob and I have been stalking animals. Our most exciting discovery was a black squirrel, very raer around here. We also saw a hawk soare through the air.

Next time Rob will listen when you warne him not to run on the icy porch floor. He slipped, cut his hand, and toare his new jacket. The cut is soar, but it will heal without a scar.

We will see you soon. The bus' company has a reduced faer for students!

Love,  
*Jason*
